518 462-5526

Earth Day Lobby Day will be held at the Legislative Office Bldg. Hearing Room B in Albany (State and Swan) starting at 9:30 a.m.. Join hundreds of activists and students from across the state, and countless local, state and national environmental groups for New York's largest annual environmental event. Hear from government and environment leaders, learn about current legislation, and lobby on key statewide issues.
